## Conditions of Sale

Prices as quoted are net on basis of cash with order. There is no charge for packing; all orders are delivered well packed to transportation agency.

All orders not accompanied by sufficient remittance to cover transportation charges, will be shipped by express collect.

REMITTANCE may be by any of the usual commercial methods. Patrons outside of the United States of America must remit in American funds, either by draft or money order.

C.O.D. shipments or credit sales are not made outside the U.S.A.

ALL ORDERS are received subject to supply available and crop conditions, or any other condition beyond our control. Present business also makes it necessary that we reserve the privilege to adjust our prices or terms without notice, to conform with varying conditions which may occur after this list is published.

ALL our stock is priced with delivery at transportation office of Marathon, Texas, U.S.A. (unless otherwise specified—see combination offers on this list.) Thereafter stock travels as the property of the purchaser and safe delivery rests with transporting agency. In the event of loss incurred in transit, claim should be filed immediately with transport agency and full particulars be given us. While we cannot insure such matters, our fullest co-operation will be given in obtaining proper adjustment in rare cases when such action may be necessary.

IN view of the fact that the stock offered herein will be subject to varied growing conditions, we do not guarantee or imply in any manner the liveability or productiveness of the stock offered for sale.

Ordering from this list will be definitely construed as your acceptance of these terms, and the limitation of our liability for any cause to an amount not exceeding the actual purchase price.

Operating under Dealer's Permit and inspection certificate, State Department of Agriculture.
